

# Thrive: Catch the First Wave

## A set of workshops designed as part of the Shirlaws 'Thrive' series.

For you to catch the first wave in the recovering market you and your team need to be ready to move at the right time and with the right tools. Specifically this seminar will:

- Look at the current market position and how this impacts your business
- Assess how prepared your business is to take advantage of the opportunities presented by the current market
- Understand internal and external indicators to support you in timing your growth investments
- Bringing your team with you - consider how to lead in challenging times

## When & Where?

The 'Thrive: Catch the First Wave' Seminars will be presented on the following dates in 2009:

Wednesday 10th June ( <a href="#">click here</a> to register)	London
